

CITIES OF MAUMEE AND PERRYSBURG OHIO AND NORTHWESTERN WATER & SEWER DISTRICT
REQUEST FOR QUALIFICATIONS

REGIONAL WATER SYSTEM ENGINEERING FEASIBILITY STUDY

The Cities of Maumee and Perrysburg, Ohio and the Northwestern Water & Sewer District jointly request Statements of Qualifications from professional engineering firms to prepare a Feasibility Study for the development of a public water system to serve the three listed communities, with potable water from the City of Bowling Green, OH. The Feasibility Study is intended to outline steps, challenges and probable costs to plan, design, construct and operate the required water infrastructure. The results of the study will be utilized by local government officials to determine if a new regional water system should be developed and how the system should be governed.

This is only a summary notice. The complete Request for Qualifications for REGIONAL WATER SYSTEM ENGINEERING FEASIBILITY STUDY is available by contacting the undersigned, at agodsey@ci.perrysburg.oh.us. Complete Statements of Qualifications must be received no later than FRIDAY, JULY 13, 2018 AT 12:00 PM EST (NOON) delivered to the addressee below.

Alice Godsey, PE
City of Perrysburg Public Utilities Director
211 East Boundary Street
Perrysburg OH 43551
