RE: LUC-475-1.85, PID 99731
I-475 at US20A Proposed Interchange Project
Public Meeting Invitation

Dear Property Owner, Business Owner and/or Tenant:

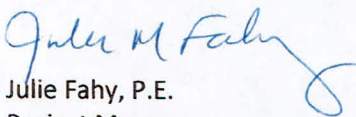

The Ohio Department of Transportation (ODOT) will host an open house public meeting to update the community on a proposed interchange at I-475 and US20A. Please join us **Thursday, January 18, 2018** at the Maumee City Council Chambers (400 Conant Street - 1st Floor, Maumee, OH 43537) from **4:00 pm to 6:00 pm**. There will be no formal presentation and you are welcome to attend at your leisure any time during open house hours to review exhibits and ask questions. Representatives from ODOT and the consultant team will be available to provide information, answer questions, and discuss the proposed project. Additional information and supporting documentation regarding the project is located on the ODOT District 2 website at:

<http://www.dot.state.oh.us/districts/D02/Pages/PublicMeetings.aspx>.

The project proposes a new diverging diamond interchange on I-475 at US20A/Illinois Avenue and construction of new one-way roads along each side of the highway that would collect traffic from the proposed new interchange and the existing Salisbury Road/West Dussel Drive interchange and distribute the traffic to and from I-475 (also known as collector-distributor roads). The project would also involve the addition of ramps to enter and exit I-475 in both directions, as well as the addition of pavement, drainage, and lighting improvements on US 20A from Briarfield Boulevard to Mingo Drive. The proposed project also includes a multi-use path along US 20A.

Please submit questions and comments on these issues, even if you are unable to attend the meeting. While comments on the project are welcome at any time during the course of the project, we ask that you please provide comments on what is presented at the meeting and posted on the website, by **February 19, 2018** so that we may consider and address your comments in a timely manner. If you have questions or comments, please contact me at Julie.Fahy@dot.ohio.gov or (419) 373-4441. We sincerely appreciate your involvement!

Respectfully,

Julie Fahy, P.E.
Project Manager
