****As a courtesy to our local businesses, we perform after-hours Security Checks of your property. Any Items of concern will be addressed by contacting key holders for the property 24/7. Please let all employees know that this check takes place at all hours, and after hours staff may see or hear an officer. If they are not sure it is a Police Officer, see or hear something suspicious or have a concern, they should contact 9-1-1 immediately. Multi-tenant buildings will only have the exterior of the building checked, if exterior doors are locked. Any minor suggestions to improve business security will be noted on a card left on the door of the property.**
